

All Clear Diagnostics and Calibration

Price list effective 3-6-2023

***** All calibrations require "Calibration Verification Diagnostics"*****

Service Name	Description	Charge
Pre/Post Scan	Pre/Post Scan	\$119.95
Program Asian/Domestic	Program Asian/Domestic vehicle per module	\$250.00
Program Euro	Program European vehicle per module	\$400.00
Program Porsche	Porsche Program	\$600.00
Failed Programming Diagnosis	Determined cause of failed calibration	\$250.00
Module Initialization	Initialization due to replacement or R and I of component	\$150.00
SAS/YAW Rate/G Sensor/All Sensor Reset	Price for any	\$150.00
Calibration Verification Diagnostics	Testing, Setup & Verify	\$169.95
Dynamic Calibration	Perform Dynamic ADAS Calibration	\$300.00
Euro Dynamic Calibration	Perform Dynamic ADAS Calibration	\$400.00
Static Calibration	Perform Static ADAS Calibration	\$300.00
Audi/VW Dual Radar Calibration	Perform Static Dual Radar Calibration	\$750.00
Doppler BSM Calibration	Perform Doppler BSM Calibration	\$500.00
360 Camera Calibration w/ targets	Perform 360 Camera Calibration w/ targets	\$400.00
Parking Sensor Calibration/ICS	Perform Parking Sensor/ICS Calibration	\$200.00
Ford Azimuth Calibration	Elevation & Azimuth System Check and Calibration	\$300.00
Seat Weight Sensor Calibration	Perform Static Calibration	\$150.00
ADAS Adjustment	Level and adjust mounting hardware prior to calibration outside of calibration procedures	\$125.00
Porsche Calibration	Perform Porsche ADAS Calibration	\$750.00
Diag Level 1	Level 1 Diagnostics	\$250.00
Diag Level 2	Level 2 Diagnostics	\$375.00
Diag Level 3	Level 3 Diagnostics	\$550.00
Wire Repair Level 1	1-4 wires	\$189.00
Wire Repair Level 2	5-10 wires	\$375.00
Wire Repair Level 3	11+ wires	\$550.00
Fuse Box, Major Module Connector	R&R Fuse Box, Major Module Connector	\$750.00
Wiring Harness Replacement	Wiring Harness Replacement (Engine, Body, Chassis)	\$1,250.00
Mechanical Labor	Various Services Performed	\$125.00
Disable/Enable Electrical Systems	Disable/Enable 12v Electrical Systems	\$62.50
Disable/Enable SRS Systems	Disable/Enable SRS Systems	\$62.50
Disable High Voltage System	Disable High Voltage Electrical System	\$150.00
Enable High Voltage System	Enable and Initialize High Voltage Electrical System	\$250.00
AC Service Evacuate & Recharge	Evacuate & Recharge	\$250.00
AC Service Recover Refrigerant	Evacuate only	\$125.00
R1234yf Refrigerant	per ounce	\$15.00
AC Service Pag Oil		\$12.00
Nitrogen Service	Refill/Service Nitrogen Suspension	\$475.00
Rearm Headrest Assembly	Overhaul/Rearm Headrest Assembly	\$250.00
Parts		Varies
Shipping		\$10.00
Overnight Shipping		\$30.00
Shop Materials		\$10.00
Mopar Programming Software Access	Per VIN Access Fee	\$45.00
Volvo Programming Software Access	Charged Per Module	\$160.00
Service Information Access Fee	Service Information Access Fee	\$30.00
Convenience Fee	Fee for on-site visit - dependent on location	\$0 - \$250
Connector	Tech to enter specific connector description	\$110.00
